

Diane M. Ziegler
Principal

Chrys Harttraft, Ed.D.
Superintendent of Schools

Title III

Dear Parent/Guardian:

The Somerset County Vocational and Technical School District prides itself in providing all students with an individualized academic program. Based on our records, the determination has been made that your child qualifies for services in the English as a Second Language (ESL) Program.

The ESL program offers a curriculum that is designed to help students with their listening, speaking, reading and writing skills. These skills are all necessary and important in order for students to have success in school.

While participation in this program is voluntary it is believed that your child will benefit greatly by participating. If you wish to have your child participate in the ESL program, then you do not have to do anything; students are automatically enrolled into the program when they are identified as qualifying for the services. If you do not wish to have your child participate, please contact the high school main office at 908-526-8900, and the necessary changes will be made.

Sincerely,

A handwritten signature in cursive script that reads "Diane M. Ziegler".

Diane M. Ziegler
Principal
