

Incident Weather/Non-Scheduled Closing Procedures: When schools close due to weather related causes, road conditions and school personnel have to be considered in order to transport students safely. The procedures below regarding *Incident Weather/Non-Scheduled Closing* are in place with students' safety being everyone's #1 priority.

District Where Student Resides: Delayed Opening

If your district has a delayed opening, busing for your child will run on your town's delay schedule, even if SCVTHS is on a regular schedule.

District Where Student Resides: Closings

If your district is closed, the bus does not pick up any students in that district, even if SCVTHS is open. **Parents are responsible for providing transportation to and from SCVTHS.**

SCVTHS: Delayed Opening

If SCVTHS has a delayed opening, "A" Session students will not be bused to Vo-Tech, even if your district is on a regular schedule.

SCVTHS: Early Dismissal

If SCVTHS has an early dismissal, transportation will be provided to students for return to home district. "C" Session students will not be bused to Vo-Tech, even if your district is on a regular schedule.

SCVTHS: Closing

If SCVTHS closes, no students will be bused to Vo-Tech, even if your district is on a regular schedule.

Scheduled School Breaks/Closing Procedures (planned calendar events): Not every district operates on the same calendar for school closings. Below pertains to transportation regarding scheduled school closings i.e. Spring Break, Winter Break, ½ days, etc., and the procedures in place to follow.

District Where Student Resides: Closed

If your district is closed, but SCVTHS is open, transportation will be provided to and from school by your home district.

- For delayed opening, "A" Session students will not be bused to Vo-Tech.
- For early dismissal, "C" Session students will not be bused to Vo-Tech.

SCVTHS: Closed

If SCVTHS is closed, no students will be bused to Vo-Tech, even if your district is on a regular schedule.
