October 2, 2020

Dear SCVTS Educational Community members,

I am pleased to write to you and share our excitement regarding our return to the Hybrid model of remote and in-person instruction, on Monday October 5, 2020. We know it has been a long time coming and would like you to know that we have worked very hard to meet and exceed the recommended safety and security measures outlined for schools to open. By way of an update I would like to share some last minute items that you need to know.

They are as follows:

- Our most current information can be found on our website in the COVID19 section.
- Monday October 5th will be an A day- Tuesday is the first B day.
- Parents are reminded that the daily attestation regarding your child’s health is very important and required for in-person instruction.
- Please verify your child’s schedule via Genesis, since some modifications were recently changed to balance the numbers for both A and B days.
- Students should have their own masks and a small personal size sanitizer even though sanitizer has been placed strategically throughout the building.
- The mask wearing expectation is non-negotiable and must be viewed as part of the required uniform.
- This is for student and staff protection. Mask breaks will be given.
- Eating will only be permitted in specifically designated spots.
- Social distancing will need to be maintained at all times.
- All classrooms have a limited number of students permitted depending on the square footage, so adherence to the class schedules is imperative.

Many schools have successfully evolved to this hybrid type schedule without incident. We hope to prove that we too can carry this out without any outbreaks or spikes in COVID19. We can only do this with your help.

I believe that with patience and fortitude we will successfully make it through this transition. Any glitches that are bound to happen, will be addressed as soon as practicable.

On behalf of all of our administrators, faculty and staff, we look forward to welcoming your children back to school next week.

Best regards,

Chrys Harttraft, Ed.D.
Superintendent of Schools
