Full Job Description

Job Summary

Full service marina, service technician would be responsible for all types of repairs on power and sail boats.

Qualifications and Skills

Experience in the marine field

Outboard/Inboard Marine Technician

We are currently seeking a Qualified Marine Technician and an apprentice technician that enjoys working on boats, problem-solving and working independently and with team members.

Responsibilities:

- Perform technical skills including but not limited to: Mechanical, Electrical, Troubleshooting, and Repair.
- Use a variety of hand and power tools, electric meters and material handling equipment in performing duties.
- Maintain a good work ethic and attitude
- Maintain quality of all work performed
- Completion of work in a timely manner
- Use due care on client's vessels when working on interiors and cockpit areas.
- Must have dexterity and agility to perform duties in tight areas and small spaces
- Assist with the cleaning of the vessels prior to the customer picking up the vessel from servicing and making sure the areas you worked in is left as you found it.
- Will sometimes engage in activities requiring strength, stamina, and dexterity. Lifting, bending, pushing, pulling, stooping, climbing ladders with loads, and working in confined spaces is required.
- Must understand the requirements for basic handling and proper disposal of hazardous materials.

- Must be available to work irregular hours and overtime to accomplish set goals for deliveries of client's vessels, set up/break down boat shows, and sea trials
- Maintain an organized and neat work area

General experience in the following:

- Electrical rigging experience a plus
- Inboard/outboard rigging experience a plus
- Diesel experience a plus

Minimum Qualifications and Requirements

- Candidates must possess a High school diploma or GED equivalent, have a valid Driver's License.
- Experience with outboard/inboard tech and rigging
- All candidates must have an excellent reliability record, be self-motivated to perform quality work, have success working in a team environment and excellent customer service skills.
- Have a valid Driver's License
