Somerset County Vo-Tech Program Overview

Cosmetology

Employment of barbers, hairstylists, and cosmetologists is projected to grow 19 percent from 2020 to 2030, much faster than the average for all occupations. Population growth will lead to greater demand for hair care services. In 2020 the median pay for barbers, hair stylists, and cosmetologists was $27,630 per year or $13.28 per hour.

Students in the Cosmetology Program learn the fundamental skills to gain employment in the field of cosmetology, including hair care, makeup, barbering, and nail care. Students also learn the skills related to seeking and maintaining employment as well as small business operations. Course work is both hands on and academic. Students will have the opportunity to obtain additional certificates such as shop safety and extensions. During the course of their 2nd year, once students have obtained 600 hours they will apply for their permit which will allow them to work in a salon. During the course of their 4th year, students which have obtained 1,000 hours will have the opportunity to take the State Cosmetology Board Exam. Many students choose Cosmetology as a career and a means to help financially while attending college or university.
