It can change your life!

Get involved in SkillUSA.

Classroom, community, and workplace.

Your success—At home and in the

leadership organization focuses on

This dynamic, career-oriented

SKILLSUSA

Why

SkillUSA has given me

the skills to be successful in life

and in opportunities like the ones

introduced in school. Not only in learning

introducing skills, but also in applying myself.

I can apply myself to create a brighter and better future

in an environment where an opportunity

leads to learning and an opportunity

leads to a great opportunity.

"SKILLSUSA is to me a great opportunity;

an attitude of a commitment of work;

an attitude of a commitment of individuals

and instilling in the lives of individuals

and motivating them to learn new things

and motivating them to learn new things

and motivating them to learn new things

and motivating them to learn new things.

"SkillsUSA continues to change the lives

Networking with potential employers

Community service opportunities
